## DETAILED ACTION

### *Allowable Subject Matter*

1. Claims 18-23 and 47-58 are allowed.

The following is an examiner's statement of reasons for allowance:

The closest references the Examiner was able to locate were:

a) **Carluccio US 4,390,298**. The reference at least fails to teach the wiper section extending to a conical apex (it is, instead, frustroconical) and having a slit extending substantially more than one revolution. Furthermore, no motivation could be found in the prior art which would remedy the deficiency.

b) **Smith US 5,513,768**. The reference at least fails to teach a conical wiper section. Furthermore, no motivation could be found in the prior art which would remedy the deficiency.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

### *Conclusion*

Any inquiry concerning this communication or earlier communications from the examiner should be directed to JAMES N. SMALLEY whose telephone number is (571)272-4547. The examiner can normally be reached on Monday - Friday 10 am - 7 pm.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Anthony Stashick can be reached on (571) 272-4561. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
